

# Hey Calgary, THANKS!

For helping feed over 40,000 meals  
to those less fortunate

40,000. That's how many meals we managed to serve to our city's most disadvantaged in 2010. That translates into 40,000 full bellies, 40,000 smiles, 40,000 ways to show these people they aren't alone out there. Amazing. But we couldn't have done it without you. So to our partners and the businesses that make it all happen, 40,000 thanks! Together, we're making a positive difference, one meal at a time.
